

COVID-19 SAFETY MEASURES

Here is what we are doing to keep you safe:

1. We wear new face coverings & gloves, and we sanitize our workspace often.
2. All materials used to fulfil your orders are sanitized as well.
3. Because the safety of our customers remain our highest priority, we have also decided that it may be unsafe to repackage and resell inventory that has been in other customers homes during these unprecedented times. As such, it is with the utmost kindness & humility that we ask for your understanding in our decision to discontinue our generous Refund /Exchange policy due to Covid-19. We kindly ask that you make your selection thoughtfully before confirming your order. We thank you for your understanding. Please visit our Shipping & Returns page to see our new Return / Exchange Policy.
